Right now is the perfect time to join the excitement growing in Magnolia. Long known for **strong values** and a **prime location** in Montgomery County, this laid-back area delivers a one-of-a-kind balance between accessibility and retreat. If you need a break from life's hustle, Magnolia offers just the respite. And when you want to run out for a quick bite or shopping trip, you're **never far from options** that hit the spot.

That same approach is reflected in the design of **Audubon**: where all things natural coexist wonderfully alongside everyday conveniences and modern living. And we're just getting started. So, count your lucky stars – because here, you can look up at the clear, expansive Texas skies and do exactly that. And hear the unexpectedly sweet song of a screech owl, too.

Watch it come to life

Welcome layers of *fun, relaxation, entertainment and convenience* into your everyday.

One of the first things you'll notice about **Audubon** is that those who planned it seem to have thought of everything. Grab a cup of your go-to pour-over or cold brew on your way into the office. And soon, you will be able to take the kids up the street for a pool day that rivals a resort. Get lost in the woods and connect to something more meaningful.

Audubon feels like it was made for you – and it was, by the mixed-use **visionaries of Sam Yager Incorporated** (SYI).

 **Not a lawn pro? Not a problem!**
All homes include front yard maintenance through HOA annual assessments.

It's All Fun & Games!

Fill your days with activities as *varied* and *lively* as you are.

Audubon follows your lead. When it's play time, go indoors or out for endless avenues to fun. Down time can be found among the future **miles of trails** that weave through the gorgeous scenery all around us. Or from the comfort of your front yard, which you'll enjoy maintenance-free. For go time, take a quick walk, bike ride or drive to our planned **dining, retail and commercial spaces**. Do it all today. Do nothing at all tomorrow. Shaking things up is highly encouraged.

By the way, when it comes to leisure, Audubon doesn't play. Our future amenity center, **Club Audubon**, will be stocked up on fun-filled features including a **resort-style pool**, **splashy water features**, great spots to gather and more. Just outside, you'll find future outdoor fun at inviting **parks, trails, playgrounds** and recreational areas that make the great outdoors live up to its name. Best of all, it's all connected to the way you live and work, making **work-life balance** easier than you ever imagined.

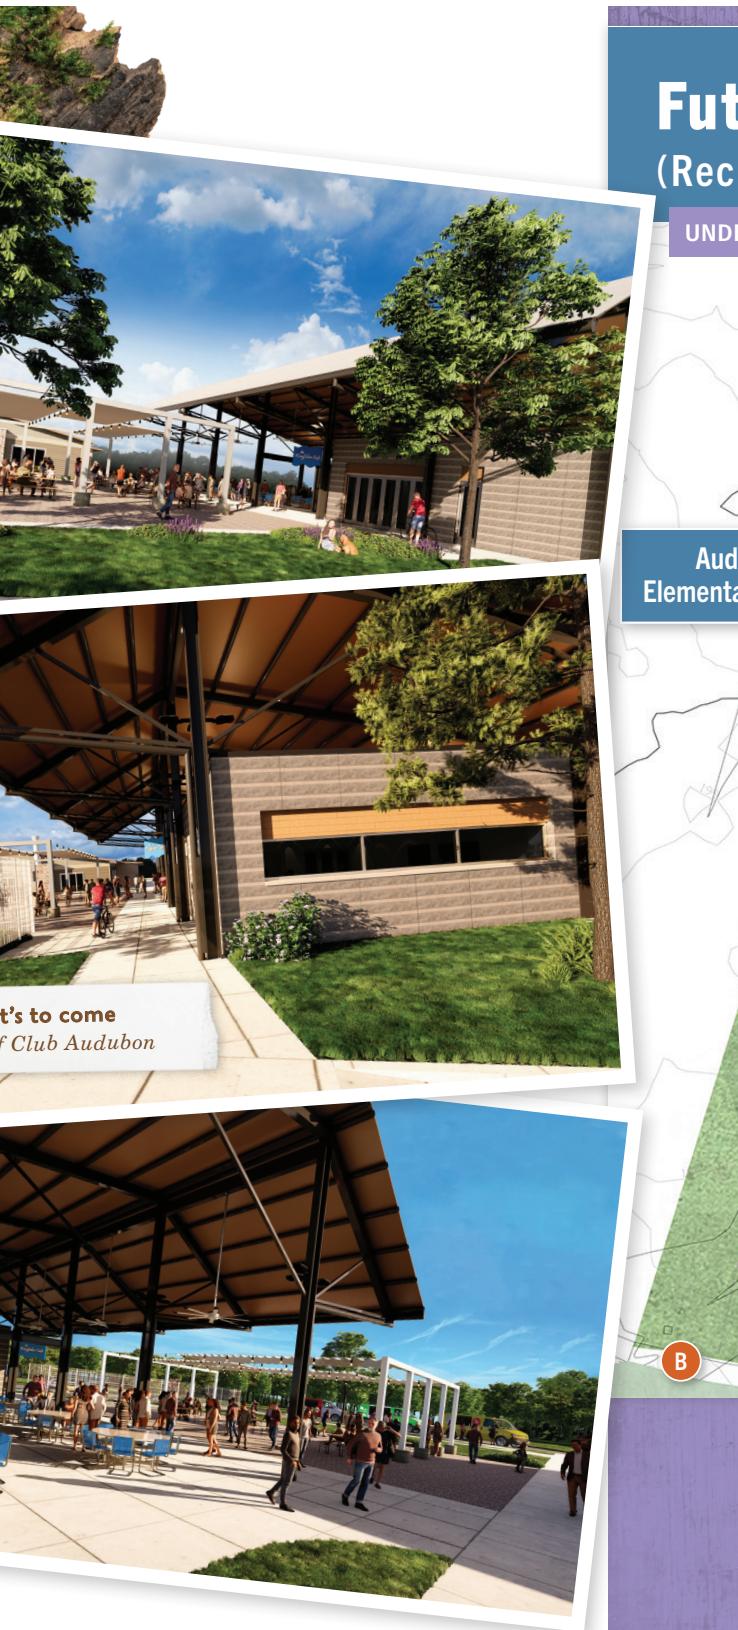

Adventure's on the Horizon

Just wait 'til you see what *Club Audubon* has in store.

Some places are naturally social, and **Club Audubon** is crafted to be one of them. Building and amenity plans were finalized in the first quarter of 2024, with construction to wrap up by the end of 2025. Phase I will deliver a host of exciting amenities, while Phase II introduces an observation shelter for parents overlooking a splash pad, playground, swings, and scenic trail connections, plus expanded parking. With an investment exceeding \$7 million, is set to become a vibrant gathering spot for the community.

Introducing Audubon's Lifestyle Program

The vision for **Audubon** has been one of a live-work-play community where residents can have it all.

Helping residents enjoy as much "play" as possible is our **robust lifestyle program** headed by **Lifestyle Director Jasmine Torres**.

Jasmine has years of experience in building residential lifestyle programs that are innovative and engaging.

She brings to **Audubon** an infectious enthusiasm and a lasting energy that will lead to memorable experiences for our residents.

What kinds of experiences? An **Ice Cream Social**, a **Super Bowl Watch Party** and an **Outdoor Cooking Class** are all coming up. And later in the year, there will be a **Nature Expo**, **Halloween Festival** and **Kids Nature Story Time** – and those are just some of the events that will soon pop up on residents' calendars. There's no telling what great fun is in store for **Audubon** residents.
